Please join us as we start the year off with a bang! Arms Wide Adoption Services will host a vision board party February 24, 2018. Why host this event?

- It's expressive
- It allows participants to collage things important to their lives (i.e., career, goals, aspirations)
- It's therapeutic and helps individuals define the life that they want.
- It's also a host of fun!

The vision board event is open to all ages. Parents and children will work separately on their vision boards under the direction of Matthew and Vanessa Bridges. **RSVP by February 10, 2018.** **Time: 9:30-11:30AM.** Arms Wide will supply the materials and light snacks.
