# Take the First Step Information Meeting

Are you interested in learning more about how you can transform the lives of children in need through foster care or adoption? Take the first step by attending our Information Meeting. During the Information Meeting, an Arms Wide Coordinator will talk through the process of fostering or adopting a child or children in foster care. You will be able to ask any questions you may have about fostering or adopting, in addition to meeting other families who are interested in becoming foster or adoptive parents.

Arms Wide Adoption Services offers Information Meetings once a month. Meetings are typically held at 6:00 p.m. on Wednesdays at our Houston office, but in response to COVID-19, we are currently offering virtual Information Meetings. Visit [armswide.org/events](https://armswide.org/events) for more details.

## A Year in Review 2020 Impact Report

Although the COVID-19 pandemic brought many unexpected challenges, we are thankful that we were safely and responsibly able to provide quality services to the children and families who need us. Check out what we accomplished in 2020, including our lean and program-focused financials at [armswide.org/about-us/newsletters](https://armswide.org/about-us/newsletters).

## Share and Connect Fuel Our Mission

Have a story to share? We are looking for foster and adoptive families to speak about their Arms Wide Adoption Services family and journey. We are always seeking new ways to share our mission.

In addition to sharing your story with us, we also want to expand our connections in the community. Would you be willing to connect us with your workplace, place of worship, or another group? Invite us to send one of our team members to talk more to your network about how they can transform lives through foster care and adoption.

If you are interested in any of these opportunities, please contact Development and Marketing Coordinator, Emily Person, at [eperson@armswide.org](mailto:eperson@armswide.org).

# Child Spotlight: Teri and Sheila

## Meet Teri, Age 11

Teri can be shy at first, but once you get to know her you will learn that she loves to shop for new clothes and accessories. She also likes to stay home and do arts and crafts. Teri's favorite classes in school so far have been art and science, and she loves to get creative and try new experiments.

Teri has a close relationship with her older sister, Sheila. With only a year age difference, Teri sees her sister as her best friend and cannot imagine life without her. Their favorite pastime is turning on music and dancing together. Teri will appreciate a family that can be silly with her but more importantly a family that will value her relationship with her sister as much as she does.

## Meet Sheila, Age 12

Sheila may not always show it, but she cares deeply for others. She holds family close to her heart and more than anything, she wants to be adopted with her younger sister, Teri. Sheila is very adventurous and loves being outside and playing sports. Between volleyball, basketball, track, and soccer she cannot pick a favorite. She loves them all! Sheila would do well in an adoptive home that is patient and loving, all while giving her the necessary tools to succeed in life.

To learn more about how to give Teri and Sheila a forever family, contact WWK Recruiter and Adoption Coordinator, Stephanie Griffith, at 713-681-6991 or [sgriffith@armswide.org](mailto:sgriffith@armswide.org)

Could you be their forever family?

# The Pelt Family: “Everything just fell into place.”

The Pelt Family’s journey to adoption was not a straight path. They realized along the way that they needed to have patience to persevere through the setbacks they experienced. Now that their family is fulfilled, they believe all life’s curve balls were meant to be.

Andrew and RaKeesha had been married for nine years when they considered adoption. After much prayer and thought, they decided adoption was best for growing their family. One of RaKeesha’s sorority sisters recommended Arms Wide Adoption Services because she had a good experience with the agency, having gone through the process herself.

*“We found that Arms Wide Adoption Services was a small group of people that were willing to help families like ourselves who were wanting to grow,” RaKeesha said.*

Andrew and RaKeesha were almost to the home study stage when Hurricane Harvey hit in 2017. Damage to their home delayed their adoption process and sent them back to square one. Then, a family illness set back their adoption process a second time. “They say third time’s the charm,” Andrew said. “We finally got everything done and made it to the home study.”

The very first photo Andrew and RaKeesha received was of Cameron. Andrew recalls sharing it with his colleagues and celebrating the possibility of adopting him, but then so much time went by they started considering other options. When a potential match with a sibling group fell through, they started to get discouraged. Then out of the blue, they received a call from Arms Wide about Cameron. If they were still interested, Cameron was ready to join their family. Andrew and RaKeesha officially finalized Cameron’s adoption on May 13, 2020. Since the pandemic prevented indoor gatherings, they celebrated with a car parade outside their home.

*“Everything just fell into place,” said Andrew. “...and it brought joy to our souls.”*

Andrew and RaKeesha offered some sound advice for future foster or adoptive parents. “I would want them to know to just be patient,” RaKeesha said. “A lot of times it’s easy to feel anxious and want to zoom right through the process.”

Sometimes life throws a curve ball and things don’t work out the way we think they will. If Andrew and RaKeesha had gone through their process in 2017 before Harvey hit, they would not have met Cameron: at that time, he had not yet been born. “We don’t know what child would have been in our life had Harvey not hit or sickness not happened,” RaKeesha said.

*“We feel right now that this was totally divine.”*

# Thanks to the Community

*for caring creatively*

We are thankful to community volunteers who made creative contributions this year.

Volunteers from **Ascend Performance Materials** donated their time to improve the look and feel of the Arms Wide offices. On their Day of Caring, they helped us organize our Angel Room and hang photos around the office.

Our Angel Room is used by families as a resource to make sure children have access to basic necessities like clothing and toiletries. Many children arrive to their foster family with only the clothes on their backs. The Angel Room also gives comfort items and holiday treats to children in our foster and post permanency programs to brighten their days.

Spring 2021

# Family Retreat

In April 2021, families in our Fort Bend Post Adoption and Post Permanency Programs attended a Family Retreat at Camp For All. During this weekend getaway, nearly eighty family members bonded through water sports, ziplining, archery, horseback riding and more!

We know the importance of quality time for families, and we're thankful for the generous support from the community that makes this possible.

# Fulfilling Families Luncheon

On **Thursday, September 30**, Arms Wide Adoption Services will host its annual luncheon at The Briar Club thanks to the help of Co-Chairs Jill George Bomar and Alison Powell.

Donations to the Fulfilling Families Luncheon help ensure Arms Wide Adoption Services can continue to help even more children in foster care connect with the loving adoptive families they need and deserve. After a successful virtual event last year, we are so excited to be back in person for this event. We are thrilled to welcome April Dinwoodie as our keynote speaker. Dinwoodie's podcast *Born in June, Raised in April: What Adoption Can Teach the World!* helps facilitate an open dialogue about race, class, and culture. As a transracially adopted person raised in a predominantly white environment, Dinwoodie has lived this experience. We are also elated to have Frank Billingsley, KPRC Channel 2's Chief Meteorologist, back as this year's luncheon emcee. We look forward to seeing you in September!
